

All measurements are in inches. Multiply by 2.5 to get the measurement in centimetres

Cut two from flannel or outer fabric per slipper

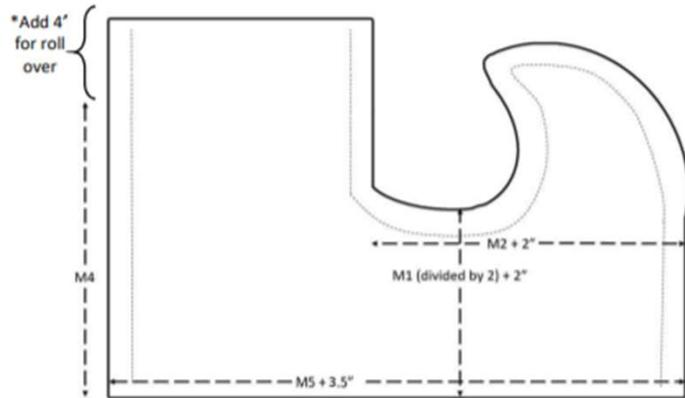

Notes

- M1 – Measure over bridge
- M2 – Measure from toe sole to about 1.5” from leg
- M3 – Measure around ankles
- M4 – Measure from bottom of sole to top of ankle
- M5 – Measure from toe sole to heel sole

Free-hand the elfish toe to fit

Seam allowance $\frac{3}{4}$ ”

Sew along dotted lines

Adapt outer pattern and add 4” as shown above *
Cut two from fur or inner fabric per slipper

Notes

- M1 – Measure over bridge
- M2 – Measure from toe sole to about 1.5” from leg
- M3 – Measure around ankles
- M4 – Measure from bottom of sole to top of ankle +4”
- M5 – Measure from toe sole to heel sole

Free-hand the elfish toe to fit

Seam allowance $\frac{3}{4}$ ”

Sew along dotted lines
