Wishing you the
Merriest Christmas
Ever

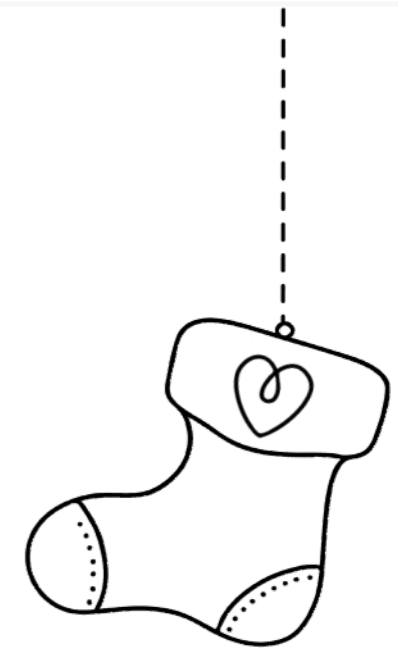

Wishing you the
Merriest Christmas
Ever

May your heart be light
and your stocking heavy

May your heart be light
and your stocking heavy

May peace, joy, and love
find their way under
your Christmas tree

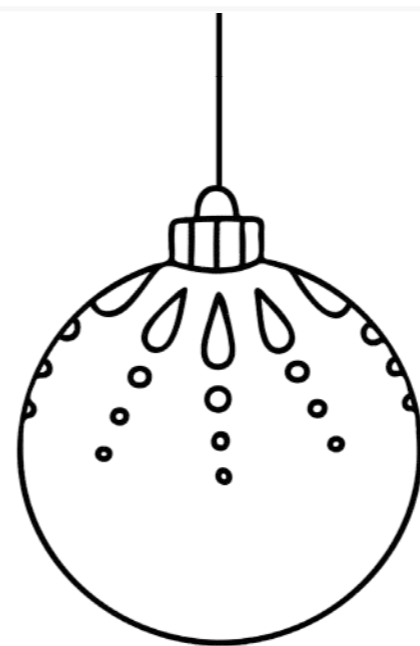

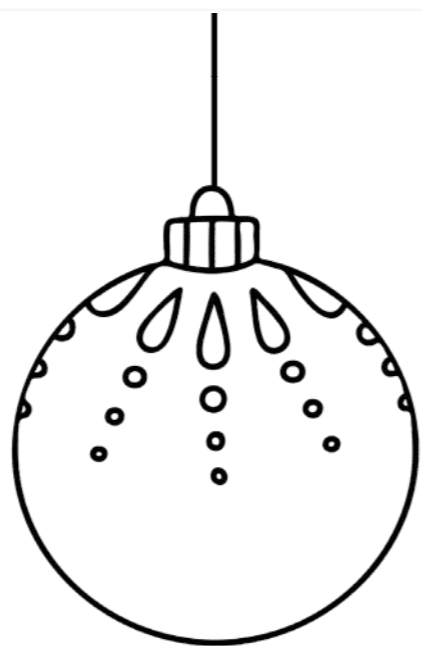

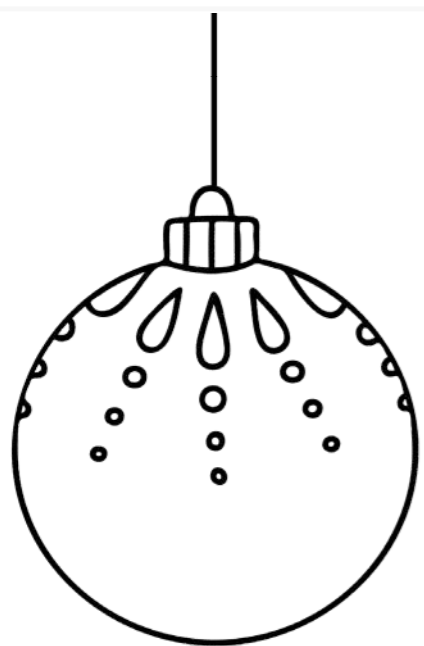

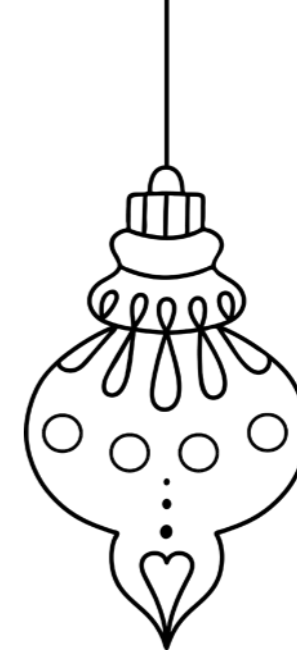

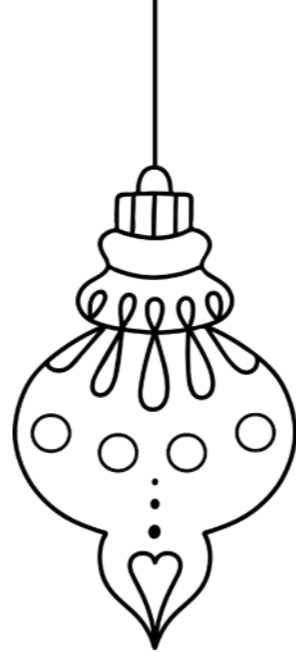

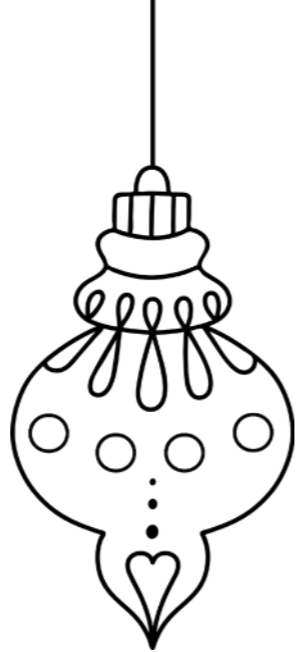

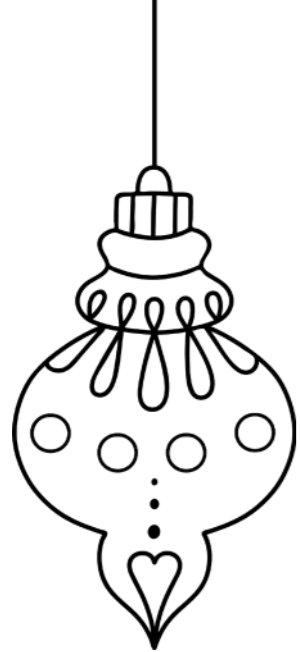

May peace, joy, and love
find their way under
your Christmas tree

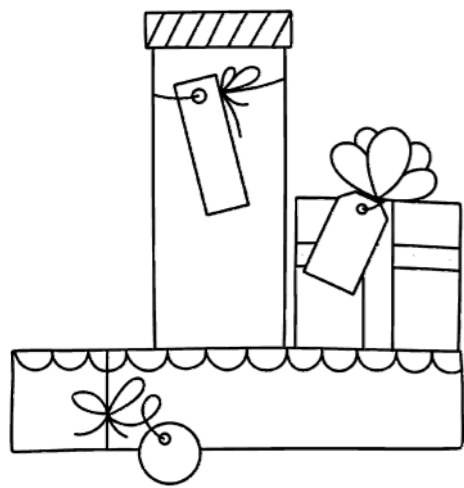

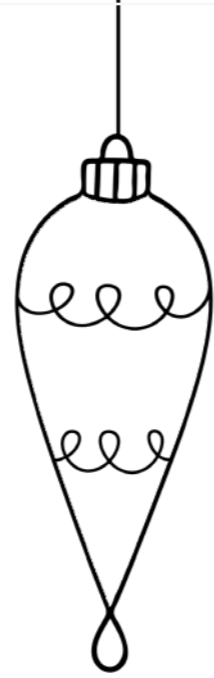

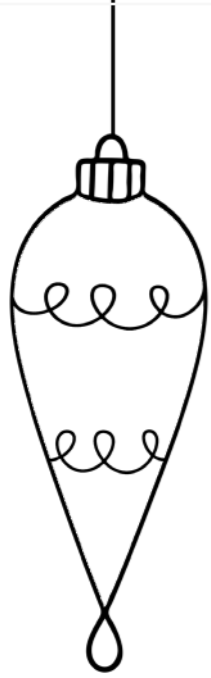

It's Christmas, so
watch out for falling
reindeer poop

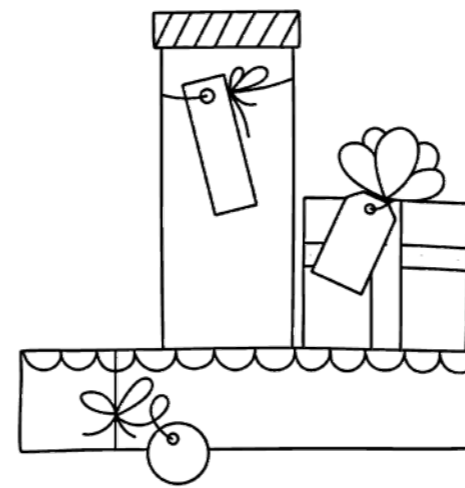

It's Christmas, so
watch out for falling
reindeer poop

All I want for
Christmas is more
friends like you
